Hey Sarvy,

The letter Nate sent out today serves as the "checklist" we chatted about the other day. Instead of
listing all of the line items in the security, the letter simply says that exhibit was followed and
attached it by reference.

Thanks,

Hi Nate, Thanks for sending this.

I coordinated w/ Shannon Pankratz at the Corps and I believe she (we) the field work is consistent with the information sent now as well as in the development plan. She (we) is just waiting on a checklist? I also reviewed the documents and have no concerns.
Do you need a signature from EPA to release construction security?

Thanks,
Sarvy

Dear IRT,

Thanks to the Corps and CDFW for making it out to see the completed restoration at Area E of the Petersen Ranch Mitigation Bank. Sarvy and Jan, sorry we missed you but look forward to seeing you out at the ranch next time.

On behalf of the Bank Sponsor attached to this email is a letter requesting release of the Area E Construction Security.

If you have any questions or comments please do not hesitate to contact me.

Thanks,

Nate
